Happy valentine's!

PASTOR'S PITCH.....

LET IT SNOW!

This is a winter we won't soon forget. It might have really been cold if it were not for global warming (?) It has been a mess trying to get around. I have scooped about all the snow I want to for a while. Where you prepared for the snow? Did you have a snow shovel? If you didn't, you probably discovered pretty quickly they were not readily available. The lesson learned is you need the proper tools before the storm.

It is that way in life. God wants us to be well equipped for the storms of life. Life by the way is full of storms! In John 16:33 Jesus warns us that we will face tribulations in this world, but He also informs us that because He has overcome, we don't have to be afraid. In fact we can even rejoice in our trials.

How do we prepare for life's trials? First, we must have a personal relationship with God through the Lord Jesus Christ. Second, we must familiarize ourselves with His Word. Third, we must obey His Word. Fourth, we need the fellowship of the church. As you may know the church roof was damaged as a result of the heavy snows. One Sunday afternoon 25 to 30 men worked for three hours shoveling snow. Can you imagine how long it would have taken just one man by himself? The point is we needed all the help we could get. In life we, "Need all the help we can get!"

God Bless

Pastor Rodney
